

CROSSLEY MILL HOLIDAY CLUB

FAMILY TESTIMONIALS

“We absolutely love Crossley Mill Holiday Club! It’s such a warm, welcoming place and really feels like a home-from-home for my child. The staff are fantastic – friendly, caring, and great with the kids.

My child always has the best time, especially with the trips to the park and woods, and she comes home happy and full of stories. There is lots of crafting and imaginative play to keep her busy indoors too, so she’s never bored. Would definitely recommend – it’s a brilliant holiday club 😊”

“We like that Holiday Club is a small group setting where the activities are well considered (baking for example) with an element of child choice, and which always include an trip out!”

“Crossley Mill Holiday Club is great, I feel like my children are really cared for and not just a number at larger a club. They get to interact in with younger and older kids, and I like that they do outdoor activites and get to play out in the fresh air, but also get to do indoor activites like crafting too. I know my children are cared for as individuals and feel safe knowing their needs will be met. The places they go like the park and the woods is great as they get to spend time in nature around Hebden. They always come home happy”
