# What we have planned Spring Term

## The Office.

This term the Management Team have been creating the Long-Term planning for 2026 in alignment with the EYFS Framework, including the prime areas of Communication & Language, Physical Development, and Personal, Social & Emotional Development. We have also been focusing on the continuous improvement of our processes at the Nursery, along with making preparations for the budgets for the next financial year.

## The Baby Room.

As we head into February we are going to be looking at spreading some love in the Babyroom by making some heart paintings and looking at people we love using our family books. As we move into the Spring months we will be heading out for some nature walks to look at the changes such as flowers blooming and all the new life forming. We are welcoming some new babies throughout the next few months so there will be lots of change of our own happening in the Babyroom too, which is always exciting. Spring is always an exciting time and we can't wait to see the Easter bunny hop on by too.

## Bobkins.

This Spring term in Bobkins we will hopefully be celebrating the return on the sunshine and getting outdoors, making the most of the lighter days. We also have a busy few months ahead with lots of events to look forward too such as Holi, World Book Day, Mother's Day and of course; one of our favourites, Easter. We will be planning lots of fun activities involving dressing up, egg hunts and baking to help celebrate these wonderful events.

### **Lilliput's.**

As spring arrives we are hoping to spend more time out in the garden watching nature as the weather becomes warmer, looking out for baby geese, and blossom on the trees, even printing our own blossom trees. We will also be doing some planting, observing as our plants begin to grow.

We will also be celebrating Holi by doing a colour run around the park, and celebrating Mother's Day with Mother's Day tea.

At Easter time we'll be having an Easter Egg Hunt as well as a bonnet parade.

### **Gullivers.**

This term the Gullivers will be welcoming Spring by looking at the different changes within the environment and learning about life cycles. We will do this by planting our own seeds and caring for them as we watch them grow.

We will also be supporting lots of new faces within the room as we welcome children who have moved up from Lilliputs. We will be promoting independence; working on skills such as independent dressing and managing self care needs.
