

# Crossley Mill Nursery Autumn 2023

## Welcome!!

A HUGE welcome to all our new families of Crossley Mill! It's lovely to see so many new faces around the building and we hope you're all settling in nicely

## Health & Safety

### Safeguarding –

Please can we remind parents and carers that mobile phones are not permitted within the nursery rooms.

Also please do not let anyone else in the building with you even if it is a parent that you know. This is for safety reasons. Many thanks.

# What we have planned Autumn Term

## The Office

After the success of the new garden, the Management Team are delighted to be looking towards their next project and investing in new doors and windows for the nursery!

This will not affect operation of the nursery as all work will be carried out on the weekends in Oct / Nov over a 6–8 week period.

## The Baby Room

This term, the Baby Room's theme is 'Farms & Sensory Activities', so we have had a lot of animal themed activities on offer for the children to explore, such as pigs in the mud and other messy activity trays to get stuck into!

We also have lots of sensory toys on offer with different textures, colours and lights, to stimulate the babies' senses.

This term we have also had a lot of new starters in the Baby Room, so we have been welcoming lots of new faces and families into our room.

## Bobkins

This term Bobkins will be basing our activities on the Autumnal Season.

We will be collecting natural materials for creative activities, playing in Autumnal themed tuff trays and will be observing the changes in the natural world around us.

We are planning on having lots of outdoor based play activities and walks out in the local community to see the changes happening in our village.

## Lilliputs

The Lilliputs have got a very busy Autumn coming up! We have lots of new children starting and want to welcome all of them and the new families that are joining us.

We have Halloween coming up and will have lots of Halloween activities planned from pumpkin carving and spooky lanterns to making pom-pom spiders!

Shortly after that, we will be celebrating Bonfire Night and will be making firework pictures as well as our own chocolate apples to take home.

## Gullivers

This term in Gullivers we are welcoming lots of new children from the Lilliput room up into the Gulliver's. We are focusing on building bonds between all members of Gulliver's and their new key person. We will also be learning the rules of the room, gaining more independence, and implementing sharing through circle times, music sessions and group games.

We will also be looking at all things Autumn and exploring the natural world around us. Observing the changes in nature, and; of course, lots of Halloween and Bonfire themed activities and tuff trays.
