# What we have planned Summer Term

## The Office

We have been busy rolling out our new EEF model at Crossley Mill and putting structures in place to assist with the wider roll out of funding to 9-month-olds + from September 2024.

We are focusing on the continuous improvement of our systems and resources for the benefit of our children, parents, and staffing team.

## The Baby Room

Now that the sunny weather is here the Baby Room will be spending more time outside having fun exploring natural objects, splashing in water and generally having fun in the sun!

We will also be exploring food over the coming months as we celebrate Healthy Eating Week, World Chocolate Day, and Teddy Bears Picnic Day. The babies are going to be doing some taste testing activities, baking some delicious, yummy treats, and having our own Teddy Bears Picnic!

## Bobkins

This term the Bobkins will be exploring all things natural, with lots of trips into the community to support the collection of our natural resources needed for our Forrest School based activities. The Bobkins will also be given lots of opportunities to get messy.

We are planning some large-scale malleable activities, water play, making marks with different coloured flowers and making dandelion playdough.

### Lilliputs

This term in Lilliputs we are looking forward to warmer weather and making the most of our outdoor space. As well as all of the usual physical, messy and risk-taking fun that takes place, we are also going to add lots of other outdoor activities such as large-scale painting, water play, mud kitchen and exploring the natural changes happening outside.

We also have some baking activities planned with our cooks and will be taking part in the Crossley Mill annual Sports Day!

Another fun filled term planned for the Lilliputs.

### Gullivers

This term in Gullivers we are going to be focusing on getting our older children ready for their next adventure at school! We will be promoting independence, talking about the different schools that we are going too and having visits from our reception teachers.

We will also be hosting our Gulliver Graduation and saying goodbye to our school leavers. We wish you all the best for your next adventure!

We will also be welcoming lots of new faces over the summer as the Lilliput children make the transition into the Gulliver Room! We will be helping these children settle into the new Gulliver routine and start their preschool journey.

### Summer Clothes

With the weather getting hotter can we please ask parents to ensure they are sending their children in appropriate summer clothes. We ask for a sun hat, change of clothes (as the children love exploring water!) and, if possible, a second pair of shoes / sandals that the children can explore the sand in and get wet e.g. crocs. Many thanks.
